INVITATIONS WORK

Have you heard or read the statistic that 80% of people would respond to a FRIEND'S INVITATION to attend your church?

According to the same research, over 90% of new church members said they attended church the first time because a friend invited them. This number also gives a greater chance of a second time visit (the crucial one) because they already know someone.

The Number 1 Reason for people not attending church – THEY NEVER RECEIVED AN INVITATION

Romans 10:14-15 - How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching? 15 And how are they to preach unless they are sent? As it is written, "How beautiful are the feet of those who preach the good news!"
