Battle for the Next Generation

“The philosophy of the school room in one generation will be the philosophy of government in the next.” – Abraham Lincoln

There is a spiritual warfare going on in our nation – a battle for the minds and souls of our younger generation.

We are witnessing the corruption of your young children on a scale unseen in the past history of our nation.

Children encouraged to change genders, told not to tell their parents, and willing doctors to perform these life-changing procedures.

Was any of this by accident? NO – Popular culture and movies are now having homosexual and anti-Christian/traditional values as commonplace in their stories.

Where are the parents? What about the church? Is it too late?

Among Generation Z, ages 12-18 years old, those identifying as homosexual is now about 17-21% up from 6% only a decade ago.

Deuteronomy 6:4-9 - ⁴“Hear, O Israel: The Lord our God, the Lord is one. ⁵You shall love the Lord your God with all your heart and with all your soul and with all your might. ⁶And these words that I command you today shall be on your heart. ⁷You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise. ⁸You shall bind them as a sign on your hand, and they shall be as frontlets between your eyes. ⁹You shall write them on the doorposts of your house and on your gates.
