Strength Through Humility

Christian attributes: attributes the world laughs at, but hopefully you will see them in a new light. Remember, humility requires strength and faith from the giver before they can give; from which more strength and power will grow. You have heard them all before, but now look at them:

If we want to be first, we need to be ... the last.

If we want to become great ... we need to become least.

If we want to be free ... we need to give God control.

The way of success is through ... service to others.

God's power is made perfect, where ... in our weaknesses.

The way to eternal life ... is through death – death to ourselves.

And finally, here is a warning, this strength through humility is not instant; like all good skills, it takes years of training, so we must start at the bottom and slowly develop our faith ... and let it grow one small step at a time.

Luke 6:38 - Give, and it will be given to you: good measure, pressed down, shaken together, and running over will be put into your bosom. For with the same measure that you use, it will be measured back to you."
