## I Know How it Works. I Built It.

Years ago, the early part of the last century, a man's car broke down on the side of the road. He was out working on the car, unsuccessfully trying to get it started, when another man stopped to help.

The second gentleman looked at the engine, worked on it for just a minute and told the first man to start it up. The car immediately started with no problem. The owner of the car asked his helper, "How did you fix the car so quickly, and how did you know what it needed?" The man answered, "I am Henry Ford. I built the car. I know what makes it work."

God created you and me. He created us in His image. He knows what makes us work. He knows what we need. He can handle our problems and we can trust Him.

Hebrews 4:4-16 - Since then we have a great high priest who has passed through the heavens, Jesus, the Son of God, let us hold fast our confession. 15 For we do not have a high priest who is unable to sympathize with our weaknesses, but one who in every respect has been tempted as we are, yet without sin. 16 Let us then with confidence draw near to the throne of grace, that we may receive mercy and find grace to help in time of need.
