Do You Have a Hearing Problem?

"Doctor, I think my wife is getting hard of hearing."

"I'll have my nurse make an appointment for her, but in the meantime, there's a simple, informal test you can run to give us an idea how bad the problem is. Here's what you do: start out about 40 feet away from her, and in a normal conversational speaking tone say something and see if she hears you. If not, go to 30 feet, then 20 feet, and so on until you get a response."

That evening, the wife is in the kitchen cooking dinner, and he's in the living room. In a normal tone he asks, "Honey, what's for supper?"

No response.

So the husband moves to the other end of the room and repeats, "Honey, what's for supper?"

Still no response.

Next, he moves into the dining room. "Honey, what's for supper?"

No response, so he walks up to the kitchen door. "Honey, what's for supper?"

Again, there is no response, so he walks right up behind her. "Honey, what's for supper?"

"For the fifth time, Harry, CHICKEN!"

Matthew 11:5 - He who has ears to hear, let him hear.

Romans 10:17 - So faith comes from hearing, and hearing through the word of Christ.
