## Lord Open My Eyes Psalm 119:18

If you were told you would only have one of the five senses left, which one would you choose? Many persons answering this question would say they would want to keep their vision. It is with our eyes that we are able to see the majesty of all of God's creation. When our vision is not clear we are not able to see and appreciate all of God's majesty and creation.

When it comes to seeing the world around us, we have to ask how good is our eyesight? Do we have 20/20 Spiritual vision to see things as God would see them? We have to examine our hearts to determine which lens we are using to view the world around us. Are we ignoring the Lord and looking at the world from a selfish and self-centered view? Does God factor into our field of vision?

Are we willing to use the Bible and the Holy Scriptures as our lens to see and view the world where our role as Christians is to carry out the Great Commission and to show love and compassion where Christ is demonstrated in our lives?

Let us all strive to see the world more from God's perspective than our own. May the Holy Scriptures open our eyes to the majesty and beauty of God's creation as well as serving the Lord.

Psalm 119:18 - Open my eyes, that I may behold wondrous things out of your law.
