The Holy Highway

It seems that many times in our modern society we forget the concept of the meaning of Holy. Let us examine the definition of "Holy":

A characteristic unique to God's nature, which becomes the goal for human moral character. The idea of "holy" is important for an understanding of God, of worship, and of the people of God in the Bible. Let us look at what it means to be Holy.

First is "to be set apart." This applies to places where God is present, like the Temple and the tabernacle, and to things and persons related to those holy places or to God Himself.

Next, it means to be "perfect, transcendent, or spiritually pure, evoking adoration and reverence." This applies primarily to God, but secondarily to saints or godly people.

When we choose to follow Jesus, we begin our journey down the "Holy Highway". After our baptism for the remission of sins we understand that Jesus paid for our entry on to this road.

The Christian now travels on a road that is separate from the normal roads of the world. We must make the decision that remaining on the "Holy Highway," which leads to heaven, is more important than taking a detour, which leads to sin and separation from God.

Isaiah 35:8 -

And a highway will be there;
it will be called the Way of Holiness;
it will be for those who walk on that Way.
The unclean will not journey on it;
wicked fools will not go about on it. (NIV)
