How Do You Finish the Race?

The Bible describes life as a race. We are all on a path and course of life that has many twists and turns, but in the end we all arrive at the same place. There will be times of triumph and then times of trial and pain, and it is WE who must decide how we will run the race.

There was a race in the Special Olympics where after the whistle all the runners started to run for the finish line. However, when one of the runners fell, all of the other runners stopped and turned around and helped the person up and they finished the race together.

In the 1992 Olympics at Barcelona Spain, runner Derek Redmond from England tore his hamstring during the 400-meter race and struggled to run and finish the race. Upon seeing his son in such great pain, Derek's father ran onto the track and helped his son finish the lap of the race.

In the cartoon movie "Cars," the main character, Lightning McQueen, gives up his chance to be the champion when he slows down before the finish line and helps push another car across the finish line that was damaged by the car that won the race.

In life we will have to decide how we want to finish the race. Do we live by the quote, "Winning isn't everything, it's the only thing," or do we live for Jesus and care for our fellow people?

1 Corinthians 9:24-27 - 24 Do you not know that in a race all the runners run, but only one receives the prize? So run that you may obtain it. **25** Every athlete exercises self-control in all things. They do it to receive a perishable wreath, but we an imperishable. **26** So I do not run aimlessly; I do not box as one beating the air. **27** But I discipline my body and keep it under control, lest after preaching to others I myself should be disqualified.
