The Human Voice

Did you know that nowhere in the world is there any voice just like yours. It is unique in all the universe.

God gave each of us a voice so that we could not only communicate with Him but also with one another.

Research demonstrates that sheep know the unique voice of their shepherd. Studies show that dogs recognize individual voices and are far more responsive to tone of voice than specific words. Babies in the womb begin to hear and react to their mother's voice at 25 weeks.

It should come as no surprise that we would also use our unique voices to sing and praise the Lord! Regardless of language, dialect, or ability, the Lord wants to hear OUR voices praising him in worship and song.

Psalms 100

Make a joyful noise to the Lord, all the earth!
Serve the Lord with gladness!
Come into his presence with singing!

Know that the Lord, he is God!
It is he who made us, and we are his;
we are his people, and the sheep of his pasture.

Enter his gates with thanksgiving,
and his courts with praise!
Give thanks to him; bless his name!

For the Lord is good;
his steadfast love endures forever,
